To members

Notice of operation hours due to cancellation
of pre-emergency measures.

We would like to thank you for your continued patronage.

We sincerely apologize for the inconvenience caused by the temporary closure and shortening of operation hours due to the countermeasures against coronavirus infection. We would also like to thank you for your kind understanding regarding the temporary closure.

Club operation hours will change back to normal as of July 13th (Tue) in light of the cancellation of pre-emergency measures. In addition, some restrictions such as wearing a mask and the quota of aerobic classes will be relaxed. We will continue to make efforts to prevent the spread of infection, but please understand that there is still a risk of virus infection that could occur before using the facilities. When visiting and using the club, please make sure that you are in good physical condition and always practice proper hygiene etiquette. Our company will not assume any responsibility or compensate for any infection occurring at the facility. If you have any concerns, we advise you to refrain from visiting the club.

In future there is a possibility restrictions could be expanded with a temporary closure depending on the status of the coronavirus and requests from administrative authorities. We apologize for any inconvenience and appreciate your understanding and cooperation.
